Dear Bethesda Family:

Michigan and the nation continue to be affected by COVID-19 as the virus remains active. Although we have experienced progress with Michigan's "stay in" order being lifted, many restrictions affecting gatherings remain in place. We have resumed some services, but with precautions in place.

The following services are now open:

Sunday Morning, 10am in the Sanctuary.

- Use only the main front doors. Doors open at 9:30 am.

Tuesday Morning Prayer, 10:30am in the Chapel.

- Use only the Chapel/Office entrance. Doors open at 9:30 am.

Thursday Morning, 10am in the Chapel.

- Use only the Chapel/Office entrance. Doors open at 9:30 am.

For the above gatherings:

- The wearing of masks is encouraged.
- Observe safe distancing by remaining at least six feet from others.
- Upon entering, please move directly to your seat. Do not gather in the foyer and hallways.
- Hand sanitizer will be clearly identified and available for use.
- Sit only in open rows. Sit only with those with whom you have been isolating. Keep at least 4 open seats from others.
- Stagger your seating by not sitting directly in front of or behind those in the first row that is open in front of or behind you.
- Please refrain from bringing food or coffee into the building.

We are progressing gradually and deliberately, yet many are still unable to attend in person. Our online presence continues for all throughout the week.

- Sunday 10am: Service with two options: watchbcc.com and Facebook Live www.facebook.com/yourbcc
- Monday Noon: Encouragement and Prayer with Noah Allen, Facebook Live
- Tuesday Noon: Encouragement and Prayer with Rob Susan, Facebook Live
- Tuesday 3pm: Prayer request updates and prayer with Barry Allen, Facebook Live
- Wednesday 7pm: Encouragement and Prayer with Pat and Julie Visger, Facebook Live
- Friday Noon: Prayer request updates and prayer with Barry Allen, Facebook Live

Please keep in mind that we are doing our best to plan. Our plans may change. We will strive to keep you well informed. Your prayer, love and support continue to keep the ministry staff lifted. You are amazing!

Love,

Pastor Pat
